The Drupal Association

supports **YOU -** the Community, the Drupal software project and its growth.

Drupal™ Association

The DA Supports the Community by:

- Maintaining and updating the hardware and software infrastructure of Drupal.org

- Empowering project participation and contribution

- Community Cultivation Grants

- Legal work and advocacy for Drupal project

- Funding of Scholarships

- Organizing DrupalCons around the world

Why Join the DA?

We rely on membership fees to be able to provide all of the above and more. There are about 800,000 Drupal.org profiles...but only 3,000 members. Are you one of them?

Every membership helps.
